MR. B. E. WETZEL - SUPERINTENDENT

MR. J. E. LYNCH
Assistant Superintendent

MR. E. B. MARKS
Curriculum Coordinator

MR. H. F. WILTSHIRE
Administrative Assistant

Under the supervision of these administrators, the pattern of our life is shaped.

As superintendent, Mr. Wetzel plans the school year. Mr. Lynch plans the daily and yearly pattern of both students and faculty at OLCHS. Mr. Wiltshire handles the school finances and Mr. Marks acts as curriculum coordinator.

With the administration, our pattern begins.

Just as the bricks in the wall form a pattern, so do our lives at OLCHS. Each of us is a piece of the puzzle that makes up our school world. All our days are different, yet they all follow a basic pattern of certain classes to attend and specific duties to perform.

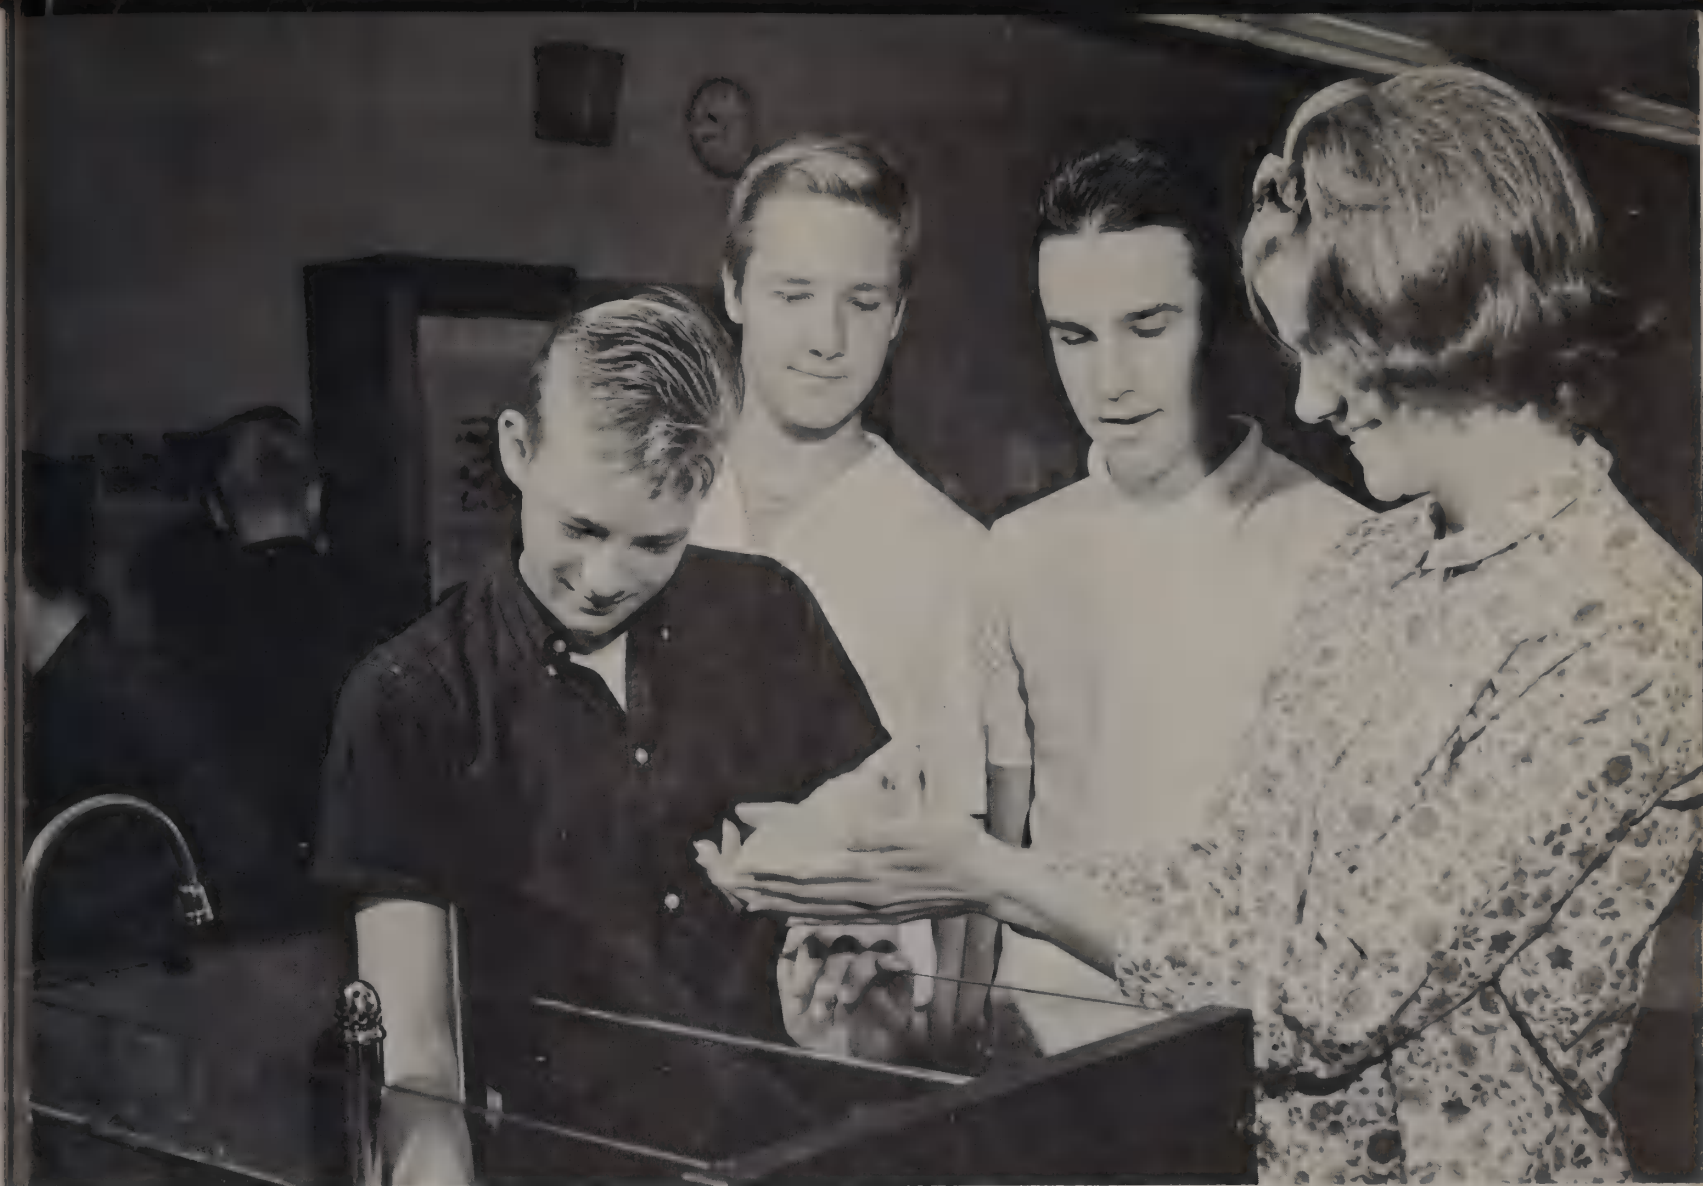

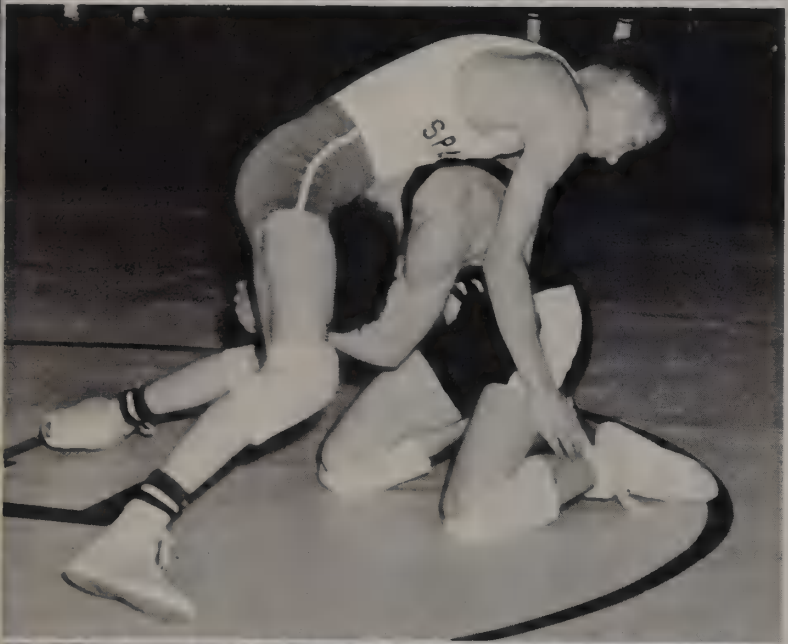

When we arrive in the morning, we have a cleared table before us. Each new lesson we learn, each new friend we meet is a piece of our puzzle. The pieces soon take shape and form a pattern--the pattern of that day.

A look through any doorway will reveal a pattern of one or many working and striving for something—a goal. The administration office and the library, the study hall and the language lab, all help us achieve our chosen goal.

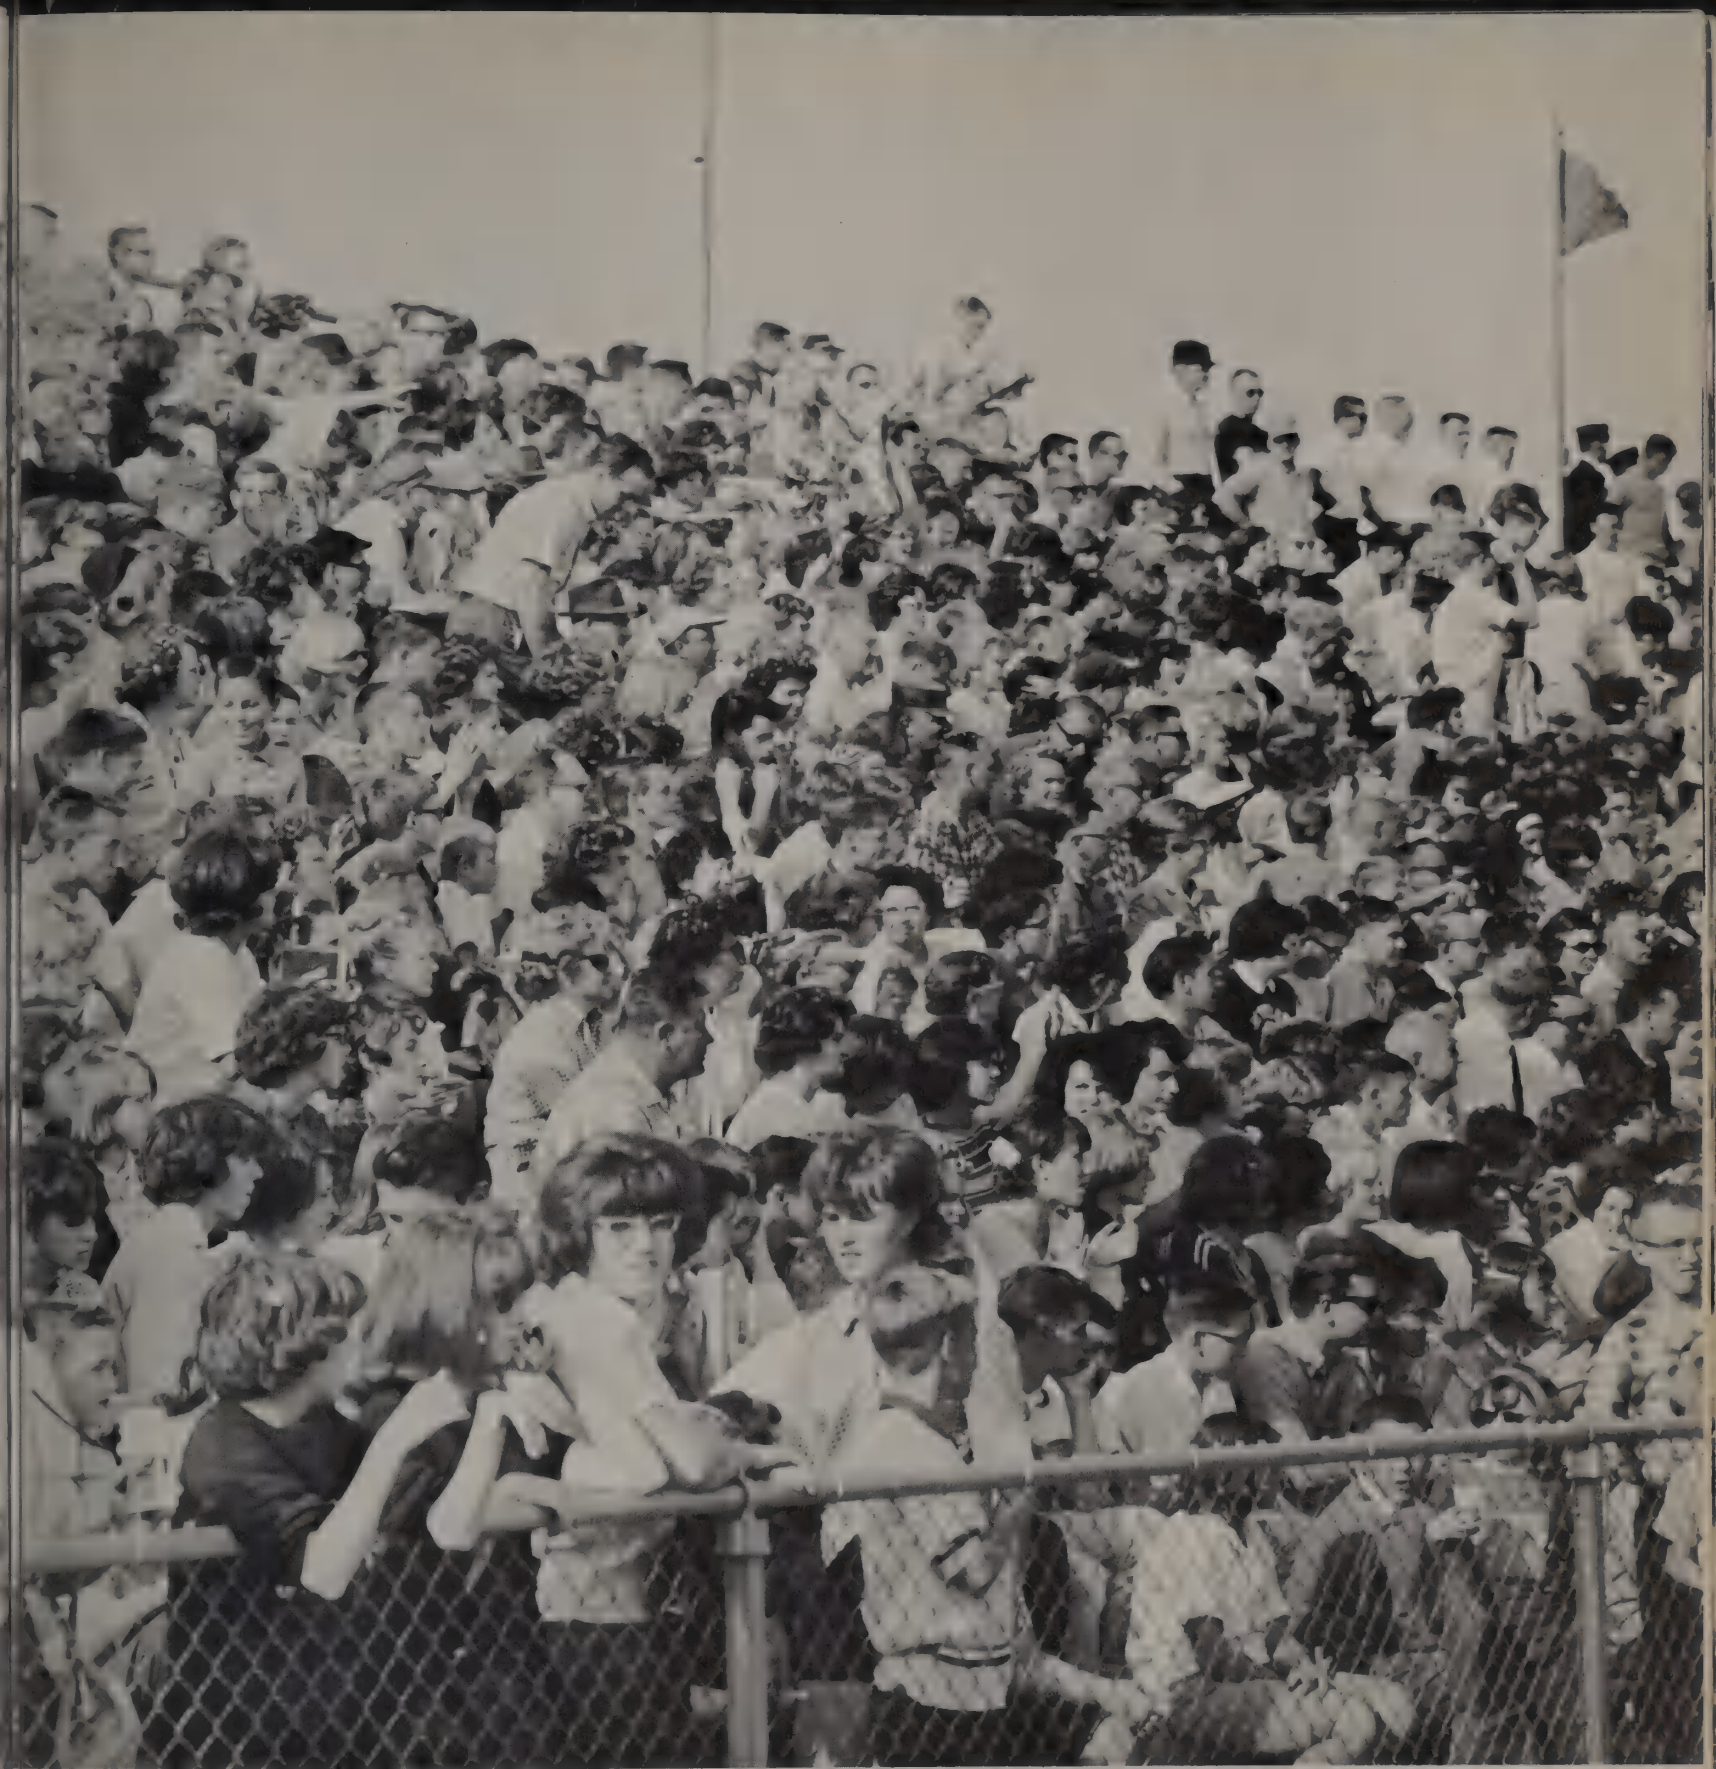

Each sport has its own distinct pattern. Whether it is an individual or a team sport, good sportsmanship is a major piece in the puzzle. We're proud of our guys and of what they can do. We're proud to back them, no matter what.

"We're going to fight with all our might, we're going to win this game tonight."

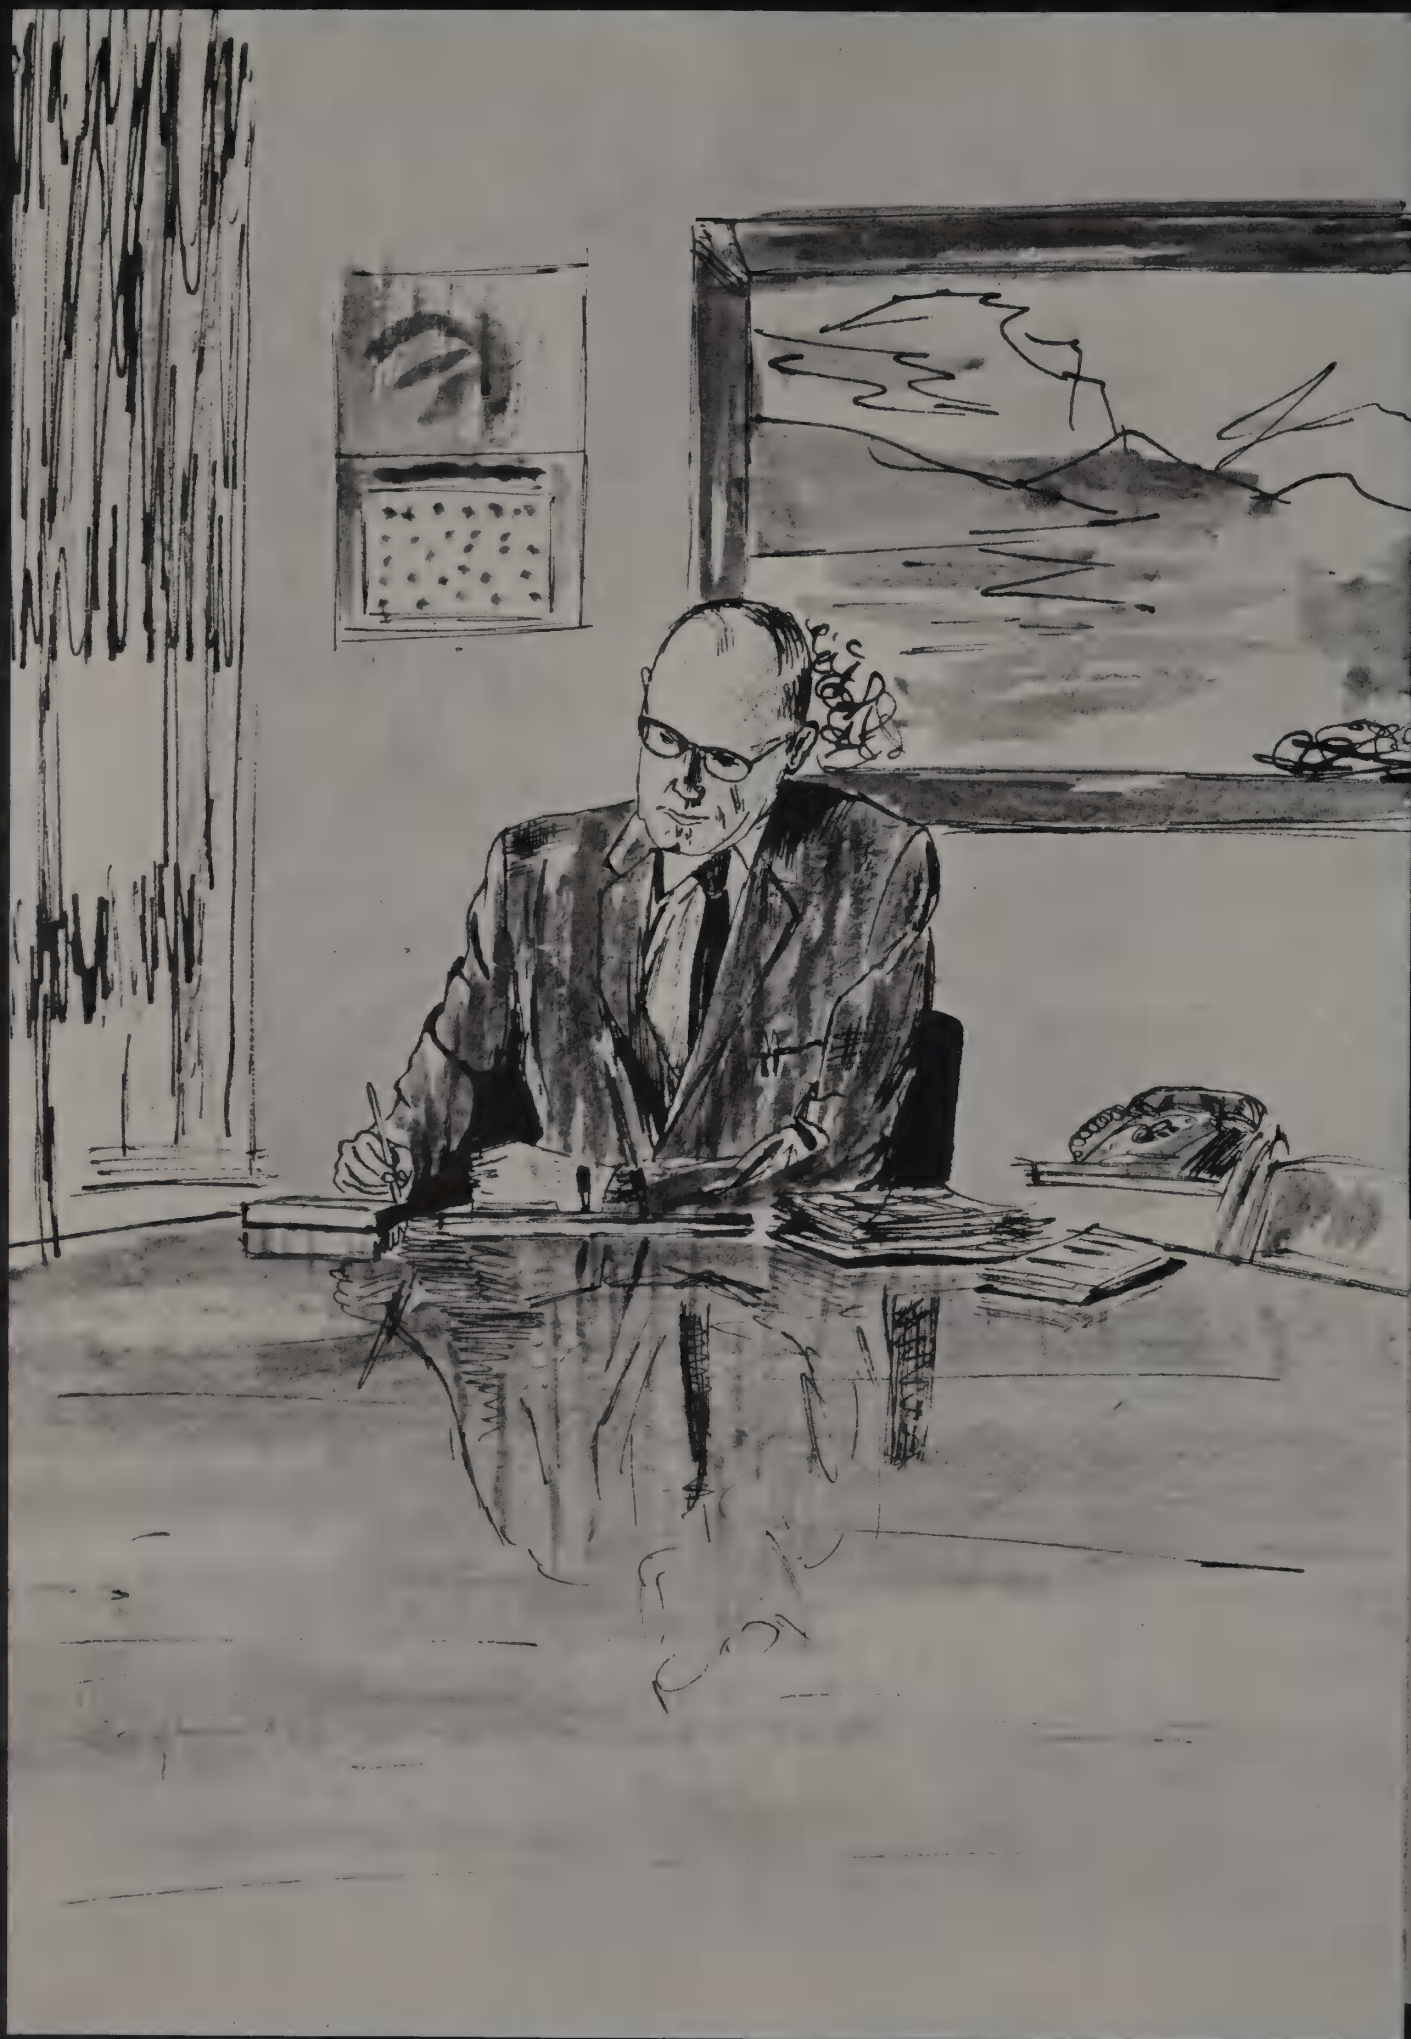

At the table that started clear this morning, we have worked and as we leave it is clean once more. The last piece of our puzzle has been fitted into its place and our pattern is complete. All of us, together, form the large pattern of our school world, thus—our life.

MR. KENEIPP PRESIDENT

Last but not least is the Board of Education. These are our fathers and neighbors who are charged with the enormous responsibility of keeping our school on the move. From a new building project to putting screens on our cafeteria windows so the grasshoppers don't appear as our uninvited guests, their decisions affect us all. They determine the distribution of funds for extra-curricular activities, such as sports and the yearbook, as well as for school operations.

The School Board members are the elected representatives of our community. In unpaid service, they conceive the basic foundation for our school, such as bond issues for building construction and tax levies for necessary funds. It is the Board who hires our superintendent, and is indirectly responsible for our faculty and staff. Through these men our community provides for our public high school in the best democratic tradition.

Miss Carol Baumeister

Mr. Marius Stitzer

Senior class sponsors, Miss Baumeister, Mr. Stitzer, and Mr. Vargo, act as guides for the senior class activities. Their purpose is to encourage, assist, advise, and be responsible for all activities undertaken by the graduating class.

With the sponsors' help, the business of programs, tickets, advertising, and ushers for the Senior Class Play is com-

pleted. As commencement approaches, the sponsors assist in ordering caps and gowns, graduation announcements, programs, and tickets. They also organize the practices for the graduation ceremony.

Their only reward is seeing the people they've worked with all year receive their diplomas.

THE 1964-65 CAGE SEASON A PLEASANT SURPRISE

Coach Len Scaduto, in his third season as varsity coach lifted the Spartans, another notch higher, to 3rd place in the conference. Third place is the second highest finish an Oak Lawn team has finished in its 13 years of conference play.

The entire season must definitely be termed a success. The SWSC coaches picked our team for 7th in the conference and no better than a .500 ball club. But our Spartans topped these expectations by winning the 1st Oak Lawn Holiday Basketball Tournament and having an over-all 13-9 mark. A heavy burden fell on veteran Doug Schaeffer this past campaign. He carried the club throughout the entire season and made it possible to win those early games and helped the others with less experience gain confidence as the season progressed.

The highlight conference victories came when the Spartans beat favorite Homewood-Flossmoor 67-53 and Rich East 60-59. Oak Lawn also gained double decisive wins over Evergreen Park 93-64, and 86-42; Reavis 61-48, and 60-48; and Bremen 58-46, and 88-73. Outstanding non-league victories were over Tinley Park and Elmwood Park. The last win of the season was in the State Regional Tourney, beating a strong St. Francis DeSales team.

activities

The Oak Lawn - Bremen game was an exciting game. The Spartans were striving for a victory which would make this Homecoming game a success. Bremen was trying to keep their undefeated record which made them an even harder team to beat. At the half time, Bremen was winning seven to six, then Wayne Luchini came to the rescue. He made the final touch-down which helped the Spartans with their first victory of the season in a thirteen to six finish.

Annual Homecoming

This year's Homecoming floats were entered by the Varsity Club, Spear, Choir, Thespians, and the Freshman Class. In their design of the floats the students completely carried over the theme of Homecoming '64.

Judging was a difficult job, but after all due deliberation the Thespians were awarded first place, with the Freshman Class taking second.

Homecoming, the annual, semi-formal dance given by the Student Council, marks the climax of the football season. Homecoming's theme this year was "Isle of Illusions," serving as inspiration for the decorative motif of the gym and providing the proper atmosphere.

It is at this dance that the queen and her court, previously elected by the student body, are first formally presented to them. Reigning over the festivities this year was Donna Boyce, Queen Elect; her Court consisted of: Carol Evens, Marge Kajer, Karen Kvinge, Linda Quiller, Judy Wettergren, and Marilyn Wheeler.

The assistance given to the student body by the Administration and Faculty helped to make this year's Homecoming a memorable and enjoyable experience.

Senior Class Play

This year's Senior Class Play, **I Remember Mama** by John Van Druten, adapted from the book, **Mama 's Bank Account** by Kathryn Forbes, will long be remembered by the students of Oak Lawn Community High School. The cast, under the direction of Mr. William Tucker of our English Department, did a fine job of bringing Mama and the characters in her life vividly into our lives. Mama (Pamela Rush), Papa (Jim Burton), their children, Kathrin (Margaret Winkels), Dagmar (Sue Bennett), Christine (Judy Home), and Nels (David Reno), and Mama's Uncle Chris (Bruce Breuinger) certainly affected all of our lives the night of the Senior Class Play. We, too, will "remember Mama."

National Honor Society

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed upon a high-school student. Membership is however, more than an honor; it carries with it a responsibility and it is considered the beginning of an obligation, not merely the successful culmination of an effort to achieve recognition and honor.

The student not only continues to demonstrate those outstanding qualities which brought about his selection, but he also exerts an influence to improve conditions about him and promote those qualities, Leadership, Character, Scholarship, and Service, for which the National Honor Society stands.

Anisca with her "American Family," the Davidsons

Foreigo Exchange Student

Anisca's home and friends in Italy

Anisca Morelli, Oak Lawn High School's foreign exchange student, is from Genoa, Italy. Fascinated by traveling, meeting people, and the United States, she left her parents and two older, married sisters to be an American Field Service student. Here in the United States, she has an American "FAMILY", The Kenneth Davidsons. The American Davidson family has three children, Sue, a senior; Ken, a sophomore; and a younger brother in 6th grade.

In Italy, Anisca attended a Professional school, which began at 8 a.m. and ended at 1 p.m., six days a week. She enjoys the school sports at Oak Lawn Community High School. When asked what she would remember most about her year at Oak Lawn High School, she replied, "I will remember everything."

Student Council

Twelve students from each of their respective classes are elected by the student body to represent them in the OLCHS student council. By helping to solve problems of their classmates, sponsoring the annual homecoming activities, and bringing our AFS student here, they help to serve the students and their school throughout the year.

In addition, this spring the student council had a fund-raising drive to raise money for channel 11, the educational station in Chicagoland.

OUTSTANDING DEBATER

"When you debate, you should advance arguments that are truly your own. Even if you lose, time and time again, you should never stop saying the things you really believe. Don't debate just to win. Winning is not the point. The point is that you have an opportunity to argue valid issues - issues that have a place in your life now and in all the things you intend someday to do."

In Keith's own words, his spontaneous advice to Oak Lawn's novice debaters, he has expressed the criteria of outstanding debate.

Keith has earned honors for Oak Lawn High School. In 1963 he ranked third in the state at the University of Navy Pier. During the summer of 1964, he was named outstanding debater at the Illinois State University Debate Clinic. On February 6th, 1965, he was named the top negative debater in our conference.

It is not for these reasons alone, however, that Keith is now honored by his coaches and colleagues. Keith has particularly demonstrated the kind of debating spirit that we at Oak Lawn honor most.

Administrative Aides

It's Academic

If you happened to be watching television on a Saturday night in January or February, you may have seen some familiar faces on the "It's Academic" program. Begun almost three years ago, the show seeks to emphasize academic achievement. High school teams from all of the Chicagoland area are invited to compete and participate in the show. Over the years, Oak Lawn has made a very good showing, winning third place two years ago.

This year's "It's Academic" venture began in early September when fifteen candidates from Oak Lawn reported to the program's producers at the Merchandise Mart for an initial screening. Using the results of this screening as a basis for selection, five students, three members and two alternates, were chosen to represent our school. Those students

were Jeannette Meier, Jim Graff, Tom Gazell, Steve Howeler, and Don Russell.

The team then went into training. Every day the five team members practiced in the library during the sixth period answering questions which Mr. Marks rapidly fired at them. The team even tried to master the mechanical aspects of the program by practicing with a buzzer system which was set up by James Graff. This latter project was soon abandoned, however, much to the relief of the other students in the library.

The team won its first round against Rich East and Arlington Heights. Although they defeated Homewood-Floosmoor in their second match, they were unable to top Evergreen Park. Our thanks to all those students and teachers who contributed to the success of the team.

Tom,
Good luck always
to an excellent Latin
student and good friend,
See you next year,
Marilyn Meier

Tom,
Good Luck in the future. We all
know how you need it. May you
have many, many children. May you have
vengeance on your teachers. May the gods give
you many blessings. May the birds of paradise give
you pots of luck. When you are famous and wealthy,
you can tell your children that I made it possible
by giving you my blessing and by wishing you luck.

G. H. Power

G. H. - save this signature, it will be
valuable when I am world-famous.

Tom,
Good luck
and keep up the
good work.

Dear Tom,

[Petie, 1965]

Even though I've only
known you since Oct. 10, 1949, we got to
know each other a little. Now that we're
not in band together I hope we'll get to
see each other occasionally. Maybe we'll
meet on the street SOMEDAY!
THINK SO?

Petie

Hope you don't think I'm repetitive
because I'm signing under plastic,
Good Luck, Ken Davidson
